“ Our very first time meeting Richard & you Sissy is when you walked in our back yard & Richard said "hi we're your new neighbors & we heard you're building a pool yourselves ". And a friendship blossomed from that point on. We have wonderful memories of our families along with the Riley's family raising our children together. Those are wonderful memories. We love you.

“ I am so sorry Olivia for your loss. What I remember most about your husband was that he loved to give hugs to his girls- you, Katey, Olivia, Alyssa and Emma. No matter who just walked in the door, he had to give his girl a BIG hug. Wishing you could feel his warm embrace once more and hoping you are feeling his loving presence with you now❤️
