“ I was lucky enough to sing in the choir with Rita for many years....she had the BEST laugh. She so loved her husband Tony to the moon and back. Many times Tony would pick her up from choir and it never bothered him to wait for prayer circle. She loved her children and grands also. They used to hang on her shoulders at church. She will be missed by all who knew her. She talked to all she met and was so kind to us all. Always to be missed by her choir members!!!! Sing loudly Rita, I know you are in the choir up in heaven!!!!

“*Mrs. Rosetta was my neighbor in my childhood neighborhood. Her daughter Michelle was my first friend I had made moving into the neighborhood in Clinton. I was maybe 4 years old when I met the family. I had spent numerous hours at the Rosetta's house. Everything from watching TV to listening to records. They were always so gracious to me even though I know I could be handful at times. Spending time there for Michelle's birthday parties was always fun because they had a pool and I got to see some of my other friends as well. Michelle had also started doing martial arts with me in the late 80's. Her family was very involved with what she was doing and it showed. Mrs. Rosetta always had a smile on her face and Mr. Rosetta was ALWAYS by her side. I can't even recall seeing them separately. I remember the last time I had seen Mrs Rosetta was at B.J.'s a few years back. I wish I would have been able to chat with her. It's amazing how someone from your youth can bring back so many great forgotten feelings and memories just from seeing them.*

I hope Mrs. Rosetta's family find strength and closure through this difficult time. I truly hope it brings you closer to each other and helps the family bond become even tighter. I am saddened by your loss but know that we will see our loved ones again in the afterlife. Much love to everyone.

Sincerely

Mike Wilson
