“ *In loving memory of a great man that was like an Uncle to me. I spent small moments with him when I was younger, and remember he always made me laugh. My heart goes out to his family Crissy, Jamie, Robbie, and Lena. One day we will see him again. Life is so precious and beautiful. Regard every day as treasure, remembering that he will always be with us in our hearts. I will chant/pray for him and his family!*

“ *In Memory of my Uncle Bob, so sorry in his passing, he lived a long life, and I am sure before his stroke, he remembered the good times, and his adoring family, some whom were taken too early, I have fond memories with Uncle Bob, he was funny, especially with his hearing aid, turning it up and down, and I remember the good times I had at Aunt Joan and Uncle Bob's house in Hoyoke, Massachusetts, and his stories when in the Military, and then a policeman in Florida and him driving that motorcycle back and forth to florida made me worry about him, but he loved riding it, I will miss him, and may he rest in peace, and will pray for his family, Crissy, Lena, Jamie and Robbie....*
