“ *Bob, I miss you and certainly your sense of humor. One of my favorite memories was when you were selling Avon, stopped by my house to deliver what I ordered, rang the doorbell and when I opened the door you said "Avon Lady". I will continue to treasure all of my memories of your pranks or jokes.*

“ *Bob, I will remember you forever. You were a kind soul who would help anyone. A happy soul, despite the adversities you faced daily. You always had something to sell! Thank you for the great memories of us at Bowie Market; and calling in the religious radio station at 5:00 AM on Sunday saying you were "Bobby Long Legs! We had a lot of laughs together that I will miss. Peace be with you and fly high!*
