“ How sad to hear this. After I retired, I was able to keep in touch with him several times a year when he and his son exhibited their photos through the Charles County Arts Alliance. I will miss my chats with him about PA, photography, art, and education. He will be missed in several Southern Maryland communities.

“ To the Kutchi family: Though I have never met Mr. Kutchi, I am a colleague of his son Rob for many years. Rob always spoke admiringly of his father, and is himself a living testimony to the positive and loving influence of his father. I am very sorry for your sudden loss. Arnie Able

“ Dear Mrs. Kutchi,
I was saddened to hear of Bob's passing. I had the pleasure of getting to know him when he was a regular sub at Thomas Stone. It was always wonderful to hear that he, a "real" teacher, had been assigned to my class when I was out. I spent many pleasant lunch periods chatting with him about whatever book he was reading at the time, or hearing him brag about his engineer son! Please know that he, and you, will be in my prayers.
