“ Your magnetic smile will be missed ~ until we meet again. I promise to watch over the family; especially "your girls" while you await their arrival. I will never forget looking out your front window after seeing a tornado go down the street; we looked at each other and you said I guess we need to join everyone else in the closet, huh?! That was a crazy day that ended well. The kids from Idaho will never forget how they met you anytime soon. One of God's most precious gifts are the memories that sustain us while grieving the loss of a loved one and the family has many. I pray that God will be their strong tower, refuge and strength that surpasses peace beyond all understanding as we celebrate a life lived to the fullest. Sincerely, Brenda Billington-Belcher.
