“ Jan Speidel (Saal),

So many hours and memories of a life full of great people who cared about life and each other. He touched so many lives with such a positive life.

God is good, all of the time and especially at this time in the lives of all of the people who knew him and loved him. He is home and he will be waiting for us.

JAN SAAL - August 18, 2016 at 01:07 PM

“ As I turned the pages of the newspaper last night, I was saddened to see Gene's familiar face with that engaging smile - just as I remember him from so many years ago. The memories came flooding in. I remember the babies coming, who now must be gorgeous young adults, they will be a source of comfort in the days ahead. We had such fun all those years ago. You will be in my prayers in the days and weeks ahead. Grief is no stranger to any of us, but we know that we will see him again and that can bring a deep and solid comfort like little else.

“ I had the privilege of working with Gene as a volunteer at the NASM over the past 20 years. There are no finer human beings on this planet than Gene! He was always friendly, happy, funny, and an excellent problem solver with all the crazy things that come up at a museum like that.

I know Gene was a very religious person, and I am sure he is smiling down on us from above.

Rest in Peace, my friend!

“ *We remember well the story of Gene's trip to Russia to adopt the children. Their calls of "Papa", poignant and urgent, resulted in the adoption of three beautiful children. Mary and Gene poured themselves into their kids and created a beautiful family. We were lucky to know them when we lived in Maryland.*
