“ *Over the years, I have always cherished every moment I have been able to spend with my family in Maryland. I always knew when I was in for a visit, I would see Uncle Bob and Aunt Kitty over at Uncle Ray's and Aunt Mary's. Uncle Bob would always come in quietly and with a smile on his face. He didn't always say very much but it was nice seeing him. On my next visit, I will miss seeing him come through that front door.*

During this difficult time, Aunt Kitty, you and the entire family will be in my prayers. May God give you the comfort you need and the courage to move forward. May your memories give you a reason to smile and laughing the days to come.

Love you all

“ *My prayers are with all who grieve in the loss of this wonderful human being.*

Uncle Bob was one special man in this world. He loved his family more than anything, all he wanted was for all to be happy. And every day he did whatever it was to make that so for all around him, especially his beautiful wife, Aunt Kitty, and his daughters, my cousins. I know he is dancing with the angels and looking down upon his most beloved with so much love and would like you to know that he is still with you.

Always in your heart.
