

Robert Kermit Hayden III

July 8, 1971 - August 19, 2017

Robert Kermit Hayden III, better known as Bobby, left this world on August 19, 2017 the way he lived life, fast and not so gently. He was born on July 8, 1971 in La Plata, Maryland to Mary Ann Hayden and the late Robert Kermit Hayden, Jr. He was a talented diesel mechanic, strong as an Ox, a good looking man with a silver tongue, a beautiful smile and always kept you laughing with his wittiness. Bobby had a love for 80's music, fast & loud cars and trucks. Bobby lead life by the three P's: "Point, Pride and Principle; they will get you every time", he would say. He loved his wife, adored his daughter and was proud of his stepson's and the boys next door. He tried to teach them everything he knew, some good things and some not so good things. He spent many days with his friend Diesel Doc and his Uncle Julian whom he loved like a father. Bobby never met a stranger and helped anyone he could, whether it be working on their cars or anything that was brought to him to fix. He was a collector of all things, especially junk "cause you or someone may need it one day." Loved him or hated him he was one of kind and will truly be missed.

He is survived by his wife, Amy; his daughter Julianne; stepsons, Joshua Hoffman and Jacob Hoffman; brother Sterling and his wife Michele; sisters Danica Murphy and husband JR, Kimberly Thompson and husband Bo; nieces and nephews Holly, RJ, JT, Tyler, Michele, Logan and Bryce; the Goldsmith family next door, whom Bobby considered his own family, Bobby

and Carla and their children, Matt, Elliott, Mitchell, Toby, Troy, Kaleb, Evan, Caden, Keagan and Savannah.

In addition to his father, Bobby was preceded in death by his sister, Mona Stonestreet.

Until we meet again my family and friends, please remember the good times, stories and laughs that we had together and live life by the Three P's!

“ *Bobby always had this tremendous mischievous smile on his face... you never knew what was coming next but it was sure to make you smile. This is how I will remember him . He grew up with my children at Captain Billy's where I worked when his parents ran the restaurant. My heart goes out to all the family. As we moved to North Carolina I didn't get to know him as a man but he was one hell of a kid. Marsha Wells (Kristy and Steve's mom)*

I just found out about Bobby, I'm shocked and sadden to hear of his passing, everyone just had to love him, I will never forget his beautiful green eyes and his bright smile. Amy the last time I text with him he told me he had never been happier, and his bad boy ways were over!! He seem to be truly in love and happy. My heart is broken, about the lose of Bobby, but I will forever remember him with smile on my face
