“ Bob Jewett was a painter and drywall man, I've known Bob since I was 22 years old when I started painting for him, he painted and did drywall work for the CONTEE'S in Annapolis, ever since I first met him, Bob was a good guy went to suitland high School, and he was always there for me he took an interest in me and he was the type of guy that if you needed him he'd always be there, over the years anytime I called him he would always have time to talk in a lot of ways he was like a father figure to me more so than my father,, I talked to him like 2 days before he died and he told me he couldn't breathe and he was on oxygen plus he had a heart problem issue that he was waiting to address with the cardiologist on that Wednesday I told him don't wait and go to the emergency room but obviously he didn't do that and his wife found him dead at the kitchen table Wednesday morning at 6:30 a.m., I only wish that he would have listened to me and went to the emergency room, I think about him all the damn time and I really miss being able to pick the phone up and call him I only wish that he was still around and in good health, even though I got into a different trade if I was in between jobs Bob would always let me come back and paint for him, he always understood my problems and was always there to lend an ear , which meant a lot to me especially as a young person and a troubled youth. Thanks Bob for being there for me anytime I needed you if you're lucky you might find one person in your life like that and I can't describe what an impact he made on me over the years it really tore me up when I got that phone call, Bob thanks for being there for me and never giving up on me when a lot of times I was giving up on myself , I only hope when I die then maybe I'll see you again ! “ I NEW BOB JEWETT SINCE 1984, AS I USED TO PAINT FOR HIM, SO HE KNEW ME AS A 21 YEAR OLD ON,, I WORKED WITH HIM OFF AND ON THROUGH THE YEARS AND HE WAS ALWAYS THERE FOR ME AS A FRIEND AND ALWAYS WILLING TO LISTEN TO MY PROBLEMS AND SHARE HIS THOUGHTS . EVEN THOUGH HIS SARCASM AT TIMES WAS TO MUCH TO BEAR, I KNOW BOB'S INTENTIONS WERE MOSTLY TO GET THINGS DONE, HE HAD VERY LITTLE PATIENCE WITH MOSTLY EVERYTHING , HOWEVER HE HAD A GOOD HEART, AND THATS WHAT I SAW IN HIM OVER THE AMOUNT OF TIME I KNEW HIM ; HE REALLY LIKED THAT BOAT OF HIS AND WAS TORTURED GOING OUT ON IT WITH HIM A FEW TIMES, JUST ME AND HIM LAST YEAR,, SO BOB I GUESS I WILL BE THINKING OF YOU UNTIL I DIE, ABOUT THE YEARS GONE BY, AND EXPERIENCES WE ENDEAVOURED , THROUGH THOSE YEARS, AND AM GOING TO MISS BEING ABLE TO CALL YOU AT YOUR HOUSE AND HEAR YOU SAY (HOW YOU DOEN MIKEE) , AND IN RETURN ME SAYING (HOW YOU DOEN BOBBY) SO BOB JUST SPEAKING TO YOU 2 DAYS BEFORE YOU DIED, I GUESS GIVES ME SOME COMFORT, BUT NEVER EXPECTED TO LOOSE YOU THIS SOON, THANKS FOR BEING THERE BOB

“ Betty, Charles and Doug my family sends our deepest sympathy to you. And to my friend Bob , I will miss our conversations about passed work experiences, and life experiences, you were truly a great soul, and you always looked at life with the glass 1/2 full, I knew when talking with you that the most important things in your life was family. My son and I had a great time with you on your boat, and when you invited us down before Christmas last year, I wish I would have made the time, and I never got a chance to see them rocks, May God open his arms and welcome you into his kingdom, Rest In Peace my friend. “ Robert, it broke our hearts to lose you, but you did not go alone as parts of us went with you the day God called you home. I won't ever forget that time @ Colonial Beach I found that beautiful pink rock. I couldn't wait to come back and show you and give to you because how much you loved rocks, but then you said Sisi that's not a rock, it is a million year old arrowhead. I got excited cause I have never found one, and you wouldn't take it as I still have and cherish it.

Everything was interesting to you like Doug said How True. I knew you liked fishing and was ready to learn on the Chesapeake Bay to fish because you had always fished on the river so I'm sure someone in our loving family will continue to follow your destiny. Could even be Charlie, Kristen or Schylur but it will happen. We shared a friendship with lots of laughs and very good times. You were a great brother in law and brother to all your brothers and sisters not to mention a great husband to Betty's as well as a great father to Charlie and Doug.

You will be in George and I heart FOREVER.

We will MISS YOU but keep our great memories as well as our love for you always..

We miss you so much already...

Love George (Slick) and Sisi

“ My condolences to the entire Jewett family. You are all in my thoughts and prayers. I am so deeply sorry for your loss.

When I told my daughter "Jaidyn Bell" that uncle Robert had passed away. She got such a sad look on her face and then she got this big smile on her face and said " Mommy, Uncle Robert gave me the MOST BEAUTIFUL rocks you will ever see and I a rock necklace, I will never forgot that, she said" I told her I would never forget his smile and kind heart.

*Love,
Christy and Jaidyn*

“ Robert my dear brother and my best friend, you lifted up my spirits every day since Billy passed and you have always been always my rock of strength. I will miss your early morning calls, the laughter you brought to my life and hearing you call me Sissy. Since we were children you have been my protector, you were and are my super hero. My heart has stopped beating and I shall miss you all my days until God brings me home to heavens gardens to be with you and my darling husband. I love you big brother.
