“ My condolences to my sister Darlene and her family. Prior to moving to Florida ten years ago, I shared a number of years of having a very close warm relationship with Bobby. He was a good friend as well as close family member. Bobby is a great man and was always a great husband, father and grandfather. I will miss Bobby a lot, but I know that Bobby is up above looking down on his family.

God Bless

“ Bob was my big brother and never did he let me forget that, even the last conversation with him he was still calling me Kid. I loved him for who he was and for all that did for others. He never put himself first. Always thought of his family and friends and was always for the underdog. Heaven received an Angel today and I call him my Brother. May you finally rest and be free of your struggle. May God watch over you and love and protect you eternally. Love you Susie.

“ I was truly sadden when I receive the news of Bob passing. I shedded a lot of tears. It felt like my famly was a part of Bob's family. He had just that much of a strong impact on your life if you ever work with him. I learn a lot from Bob. He was the best supervisor I have ever encountered so far in my security career. He was a true leader, powerful mentor and understanding ear. He was very proud of his grandchildren and spoke highly of Darlene. If Bob would have created his own security company he would have no problem finding followers hands down. The only regret I have is that I did not get the opportunity to work with him again before his homegoing. My prayers will continue to go out for the entire Kraft family and friends. Thank You for allowing us to share Bob with you.

“ Bobby was my step brother, he was always very kind and more than once made me laugh so hard I cried. He was the type of person that always made you feel welcome in his home, always with a hug and something funny to say. He loved his wife and his daughters, the sun set and raised in them. He was a wonderful man and I am blessed to have known him. He is in gods loving hands and he has joined those who went before him. God bless you Bobby.

Bobby was my Brother-in-Law and a great friend. He was a good Husband, Father, and GrandFather. He took great care of my sister Darlene for 42 years and was always there for his family. We were blessed to have had him in our family. He will be truly missed. My heart and prayers go out to his wife and daughters who loved him unconditionally. He is now in the home of our Heavenly Father and will be at peace forever.
