“ *Bob was a friend of my grandson, Allen Boyer. He was always polite and nice to me when he came with Allen to our home. I just hate that this happened to him. I feel so sorry for you, his family. I just can't imagine the pain and grief you are going through.

“ Me and my family loved you so much Bob, as well as your family! It's only been a couple days and I don't believe it's hit me yet; especially after losing Andy two months ago. It's so so so don't hard when you lose those in your life you care so deeply about! This definitely has not been an easy few days... The only thing I try to remember that helps Bob, is that you're no longer struggling and you feel no more pain. Now normally, that can be a blessing, but when it comes at the expense of you, such a dear dear friend of mine, it's not so much a blessing. But I have to be grateful that you're no longer suffering Bob, and even though your suffering ended this way, I'd much rather know you're really at peace now as opposed to me being a peace! I/We/So So Many love you man and we'll keep you in our hearts till we meet again!
I love you Bob! Rest Easy!!!!
