“ *Sincerely sorry to hear of Bob's passing. A true and loyal gentleman, always willing to give a hand, share encouragement and and serve his fellow man. His service to Clinton included a number of years as a member of the Volunteer Fire Department. Though time will not permit a memorial service for Bob, I and others will surely recall and honor his years of service. To his family, we mourn with you, share your sorrow and fondly remember a good friend who will be greatly missed'*

“ We have known Bob and Maryann for many years. We were campers, and our camper was right beside there's. We spent most of our weekends at the campground. They were good friends. We've missed them when we quit camping, but there are many memories we could share.

We took their son on vacation to North Carolina with us. We taught him how to swim, and water ski.

“ Bob & Mary Ann have been my neighbors for years on Woodley Road in Clinton. I grew up with their children Bobby, Judy & Bryan. I enjoyed seeing them both at either the American Legion or the Clinton Moose Lodge. Simple words are not enough to describe what a wonderful pair they both were. Inseparable. When Mary Ann passed I could see how lost Bob was but he always wore his smile gingerly. He was a gracious man I will certainly miss seeing him while walking my dog. My condolences to Bobby, Judy and Bryan and the entire family. He will be sorely missed.

With much Love,
