“ I was so sorry to hear of Bob's passing but I am confident of where he is now. I feel like I grew up with Bobby from the time I was 8 until about 21 we worked sun up to sun down in the tobacco fields during August harvest. I'm sure that was the hardest either of us ever worked and it made every other job of our careers seem very easy. Bobby never changed, always humble, generous and smiling. He was always the epitome of a Country Gentleman, greeting you with a smile & handshake, offering every sort of refreshment and walking you to your car while still offering you anything he had....hospitality to the extreme, it's the country way!  
He said he wanted to work for Pepsi-cola when he was about 10 and spent 42 years in his dream job. He did so well that the last time I spoke to him they were trying to lure him out of retirement but he found that retirement is a pretty good job too.  
I know his passing leaves a tremendous void for his family and friends but remember Bobby has never been more alive, he's just in a different place..... you will see him again.  
May God bless and comfort all of Bobby's family & friends during this difficult time.

“ Bob you were a very kind and caring man and a wonderful father. I will always cherish all the wonderful memories we had with our girls and times spent with our families. It saddens me to know that our girls and grand-children won't have you here to share in their lives moving forward but we can all find comfort knowing you are in a better place in Gods hands.

We will all miss you!

“ Our Heart goes out to the Miller Family And his Daughters and Grand Children. Bob was a very kind and Loving person . He loved to grow a garden and was a very smart man with his Country ways of wood working. I just loved to talk with him he had a way with words and had a great sense of humor. He was also someone that was fun to be around a great father and wonderful family man. We will all miss you
