“ My heart is broken 💔 Not only my cousin , we grew up being brother & sister. We shared so many memories, trips, sleepovers, heartaches, laughter & tears . You brought so much love & joy to my life . I can never thank you enough for always loving me unconditionally and being the best " other brother" in the world. I pray for My second momma Eloise that she finds peace and comfort in knowing how greatly we love her. Many prayers for all of those of us who loved you.

You will be greatly missed ❤️
