“ *Bob and Family,*

Roberta was one of the sweetest people I've ever met in my life and my life is so much better for having known her. I will always remember the last time I saw her at church, we had a wonderful conversation and that included a huge bear hug. I hope I can honor her memory as I take over her special Angel Tree.

“ Even though we were separated by many miles and didn't see each other very often, we still had our own special bond. To this day, we can still hear Roberta's distinctive "Pennsylvania" accent. There are no words that can express what joy and happiness she brought to everyone and what she meant to your family. We will miss her, love her, and shall always remember her. Our deepest condolences to Bob and the entire family.

“ Bob and the entire Murray clan- What a sad time for so many. Roberta touched an untold number lives during her lifetime. I remember first meeting her as a rather shy, bashful 15 year old right after she first started dating Bob. Even at this young age she was so easy to like. It was a pleasure just to be in her company. Mrs Putner was a great cook and passed on that wonderful skill to her daughter. Even to this day, so many of us have benefited from all those delicious meals throughout the years. Bob, do you still remember how she enjoyed riding with you in that "rumble" seat of my old 1931 Model A Ford? I know it is reassuring that one day you will be reunited with your sweet, beautiful bride to spend eternity together. God bless the Murray family.

“ Mom,

Every Christmas at grandmas was the best time of year. The family, the friends, the food. Oh the food...the homemade cookies.

The drive to PA and all of us making sure dad drove no other way but the yellow brick road.

9 of us packed in the station wagon, the luggage on the roof.

Dad...are we there yet?

Memories you can't make up and you can't buy.

A singular select group that if you were not part of the original 9 you just may not understand what that means.

Anyone that ever met mom joined that group for it was only exclusive to those who never had. Otherwise you were in and you got us all.

Mom left an impression on me, a legacy that I shall instill in my children and grand children that will live infinitely.

We will be together again and you will once more have the opportunity to tell me to get my elbows off the table while I eat.

I love you mom.

“ I will never forget mom making lunches for school. A whole loaf of bread, bologna and mustard spread across the table. Seven sandwiches, seven bags of chips, seven brown lunch bags and seven nickels for milk. She got us out the door to the bus stop on time everyday.

After what we thought then was a long day of school that we got through, some days worse than others, the 3 o'clock snack made anything all better.

“ Bob and all the Murray family. Words cannot tell you how much sadness I am feeling right now after your call this morning. Our friendship goes way back. We have been such special friends for so many years, going back to our years in Mt. Washington. I have so many memories of all the good times we had with your family during our years at the Shrine of the Sacred Heart, and then all the special fun times after you moved to Temple Hills. So many stories come to mind. There are not many families that are as special as all of you are. Please know that I will surely keep all of you in my thoughts and prayers at this very sad time. Roberta was one of a kind. And, I know she will be so missed by so many. Love to you all, Joy

“ *Bob & Family,
I am brokenhearted with your loss. Roberta has to be the kindest and sweetest person I had the pleasure of knowing in my life time. She was an inspiration to me in so many ways. She lived her life like the Catholic Christian that we are all called to be. I only hope that I can be the holy example to my family and friends that she was to everyone. Her life of service to our church will never be forgotten. I pray God will grant you all peace and consolation during this difficult time. Please know we love you very much!

“ Mom Murray was an extraordinary woman. She open her arms to me over 30 years ago and welcomed me into her family as one of her own daughters. We've had a wonderful relationship over the years and I could not have ask for a better mother-in-law. If you ever got the chance to meet her, you know your life was blessed to have known such an incredible person. Fly high mom. You deserve the angel wings you are wearing. I love you.
