“ *My sincerest condolences towards the entire Hamilton family. There are too many fond memories of this beautiful little lady. She was kind, gentle, and always laughed at my stupid jokes. Although it has been many years since we have spoken, it seems like only yesterday, we were doing ridiculous antics, and getting on trouble. It is with deep pain in my heart, that I say, that I am truly sorry for your loss. If there is anything that I can do, please do not hesitate to contact me.*
