“ *Ronnie Miller was one of my very favorite people to work with. His Signature "What do you Want!" always made me laugh and brightened my day. My deepest condolences to his family I can promise you his unique personality will be missed and he was a very bright light in our day at Manheim Fredericksburg. I speak for all of us when I say he will terribly missed and was loved by all of us at Manheim even if most of us did not get a chance to meet him in person. Our prayers are with his family.*
