“ *My husband and I met Ron through Atlantic Electric Supply and unfortunately we ended up in a situation which was undescrivable to say the least, and he never stopped trying to help us in any way he could.*

He was a man of honor and very knowledgeable and I will never forget his kindness.

We knew of his love for music because he played with my brother for a while, he was our DJ for my 70th Birthday Party, so I know he is playing heavenly music with some one.

My deepest sympathy to his family for a loss to soon.

“ *Ron was 46 years old at the time he walked in the front door of Atlantic Electric when I was President of Atlantic and searching for a credit manager. This was my lucky day and I will never forget it. Ron joined out staff and managed our credit plus all of the ins's and out's of credit management and many other duties for twenty-six years. Ron and I worked side by side - he taught me much more than I taught him, his knowledge was invaluable to us.*

Ron was a terrific source of information in many other areas besides credit, he had many contacts and depending on where your interest was - it always ended with the ability to obtain a better product or service because of his association with his contacts.

Ron was proud of his daughter Valerie and his son Ronnie and of his two granddaughters and proudly kept me up to date on their whereabouts and accomplishments.

We wish Ron peace on his next journey.

We miss you Ron, thanks for everything.

“ I will forever be in your debt you helped me fulfill a dream I had for many years and will never forget it. Going to be missed by many I am sure of it including myself. You were full of knowledge and wisdom I just wish I knew you a little sooner feel like there was a good bit more to soak up from you. I wish your family peace and comfort as they say their goodbyes. Thank you again Ron for all you did to help me out I will never forget it. Rest easy guess it is like the saying goes "only the good die young"!

“ Ron was my neighbor for 34 years. We would often catch each other as we were going in and out and hold long conversations about the neighborhood and yard. He loved vehicles and I would tell him that he needed to "clone" himself so that he would have a chance to drive them all. He always knew "a guy" who could help you with a repair or replacement of something you needed. Whenever it snowed he would pull out his snow blower and plow the sidewalks and driveways for us. He made a point of always paying his neighborhood membership dues. I miss seeing him already going about his daily activities. Rest Easy my neighbor.

Ron, you were a good man. Truly, one in a million. You left us too soon and you will be missed. The memory of fishing with you last fall on the bay will live with me forever and is how I will remember you. Rest in peace Ron. Your pal, Derek

“ *Ron was a business associate of mine. He was so dedicated to getting the job done and looked out for everyone else in the industry. I always looked forward to his calls - we celebrated triumphs and shared stories of our crazy jobs. He never pulled any punches and called everything like it was. He always spoke well of his family and he loved music. We'll all miss you, Ron!*

“ *Ronny was one of my greatest friends at Central. We palled around because we were both in the Central Senior play, you can find pictures of that in our '67 Yearbook, and we shared a lot about music, Ronny was in Central's Band, I was in their Concert Choir. I mourn greatly how we lost Him but I cherish forever, HIS MEMORIES. Thank for this site where I can share. I pray now, Our God the Holy Spirit, pour out until cups run over, His Balm of Peace, Love and Understanding, on all Friends and Family, who Loved this Good Man...*
