

Ronald "Ronnie" Mills Larsen

February 18, 1970 - September 16, 2014

Ronald "Ronnie" Mills Larsen, 44, of Waldorf, MD died on September 16, 2014 at his residence.

Ronnie is the son of Douglas Larsen and June Lee Mills Larsen. He is survived by his wife, Priscilla Ann Larsen; his daughters, Jessica Renee Toppi and Catherine Louise Larsen; and his sister, Sandra Morgan.

He was a gun tester for 19 years with Beretta, USA and was a member of the White Hall Baptist Church. "He loved me and our two daughters. He's a loveable and kind person and as my husband, he was a spectacular man and father. He loved to hunt and go fishing and camping and he was a country music and bluegrass type of person. He loved everyone and was a true country boy. He also loved going places and chopping wood for a wood stove and fireplaces. He was a person that would help you no matter what. He was a pall bearer for his mother-in-law. He would also go out to the Whitehall Baptist Church when I would help out in the church kitchen and would also go to the girls' church plays. He was a very true family man and we love him for the person he truly was."

“ *I'm so sorry this is so late but I'm just finding out about this wonderful human being passing away! Ron was a delight to be around! He always had a smile on his face and he was always genuinely concerned if some one he knew at Beretta was having a bad day! I left Beretta in March of 2000 but never forgot about Ron and how much of a great person he was! My heart goes out to his whole family and please know that he's in heaven making their days better there as well!*

“ *Priscilla, so sorry to hear of your loss. I didn't know Ronnie very well, but he was always so pleasant to be around when I did see him. My last memory of him was a little chat we had at Johnny's party in July about what Catherine was allowed to drink and also seeing him singing in the garage. I hope your memories of him and your faith in God will carry you through. Please know that I'm here to lend an ear or a hand if you need me.*

“ To the family, I send my deepest sympathy to you. I had know Ronnie all his life and he went to school with his cousin Donna. They enjoyed elementary school together and onto High School. Always a smile where ever you seen him. A hard worker, loved hunting, and his family. Ronnie you will be missed and your smile will always be remembered plus your love for your Mother and sister Sandra. Your two daughters will miss you in their lives and will grow up without your understanding and love. My God grant your Mother, Sandra, and the two girls the love and understanding to move on in life.

“ *When I first moved to Nanjemoy, a little more than 25yrs ago, you became my neighbor, your sister soon became my friend and your mother...one of the sweetest ladies I know. We went to high school together, stood at the same bus stop but never spoke much. It wasnt until my early twenties that we would speak in passing. You always had a big smile on your face when youd come home after working, at Beretta and see me sitting in the dining room of the old house, talking to ma and she always smiled as u walked in that door. I had never seen a mother and son before, as close as the two of you. I remember youd come in talk a lil about your day, if i asked. Youd always say something silly and your mom would follow up with.." Oohh Ronnie" and she'd laugh. You loved to hunt but you were a gentle soul...you are a gentle soul. Idk why your mom and you grew a part the last year or so but i know u loved each other very much. I heard you got married and had two girls. It saddens me deeply to know that they will have to be without u for the remainder of this lifetime and I can only pray that they know and find comfort in knowing that they will be with you again, when this lifetime ends. Rest easy old friend.*
