None of the above were family, just a bunch of liars, thieves and cheats. No mistakes were made in the obituary! You can't even get names correct for those who you say are survivors. Idiot! Stay away or be pay the price! April Altiere

“ My Name is Deborah Morgan and I work with his wonderful Daughter April. I have had the pleasure of meeting Mr, Taylor what a pleasure it was, As I am sure everyone knows how he loved to make his rock jewlrey, I was lucky enough to be given several pieces to share with my daughters, we love them and wear them all the time, something I will cherish, you meet very few people in life that make a lasting empression but Mr. Taylor made a lasting wonderful empression on me, What a Teddy Bear :) God bless his family and friends and all who knew him, My thoughts and prayers go out to you all.
