“ *I worked with Ronnie at the Landfill and I never in my life saw such a happy man! He was always willing to lend a helping hand with whatever the need required. I really enjoyed seeing him as I pulled in to work. He even gave me a ride home when my car was broke down. He will be missed! My prayers are with his family. Jody Perez*

“ *To the Windsor family. I send my most sincere condolence on the loss of Mr. Windsor. I knew him only through working with Ronnie but I know he loved NASCAR. I felt honored that one day he shared his prize collection of NASCAR items in his special room of his home. I was amazed by his love for it. He was a gentle, kind and sweet man that was sure to have a joke for you. I'm sure he will be sorely missed by those that knew him especially his family. Memories last us all a lifetime. May the love of each other and every memory you hold in your heart keep you all connected always. Chantini Somerville*

“ As a customer at the public works facility where Ronnie worked, I was always greeted with a big smile and a "ration of stuff" that Ronnie would dish out. He always very helpful and knowledgeable about the rules and regulations. Ronnie took pride in his work, his service to Charles County residents and a job well done. We will greatly miss him. “ There are so many memories that I have. Like the time he ordered raw chicken from kfc to go crabbing because the store was closed. He was so much fun to be around him.
