“ I've known Rose Ann since the late 60's. I grew up in the same neighbor and played with her children. I knew the family well. As a child, I was in and out of her house and frequently called her mom. In fact, as an adult, whenever I saw her I would still call her mom. She was a very loving and caring person and will be greatly missed.

Larry, Trish, Lisa and the rest of the family, I'm sorry for your loss and I share in your sadness. I know Heaven now has another angel.

“ Rose Ann and I have been friends ever since i went to work at PMH in 1970. She was a very caring and loving woman who looked for every chance to help someone, She coordinated many of the wonderful retired PMH employee get together's.

Rose Ann was devoted to her family, her church, her friends and the comittment to all the physicians and staff from PMH and forward.

God will surely meet her with "Well done good and faithful servant" She always followed loving God and her fellow man.

I will miss her.

“ I am so glad that my son-in-law introduced me to you. At that moment I knew you were a very lovable and caring person. It is hard for me to believe that you are not here on earth any longer because I just saw you the week before at Sacred Heart's noon mass.
