“ This is such a long, long time ago.

I will always be grateful for the confidence that Mrs. Kirk had in me, to be able to memorize my part for the Brownie Troop celebration.

These were taken at Dr. Brown Elementary School, about 1978 or 1979.

More so, the years and years of being such a special neighbor. The Kirk Family always meant so much to my family, growing up in Waldorf.

I sold our family home, in 2019 and moved to Virginia. However, I am grateful for the times that I went back through the old neighborhood and got to visit Mr. and Mrs. Kirk.

Mrs. Kirk gave me some great advice and calmed my nerves, when I found out that I, too had Lupus.

My thoughts and prayers and with Mr. Kirk, Ronnie, Robin, Linda, Debbie, Carol, Cathy, Cindy, Jackie and the rest of the the family.

“ *My Sister, Rosemarie was just 16 months older than me. One minute we were close as could be....the next we were at each others throats. But we loved each other, she would do anything for you if you needed help. Later she moved to Maryland and we didn't get to see each other very often, but she was always the very caring person, wanting the help, even at a young age when she was in misery and not letting us know. She was the living Rose, in Rosemarie. God Bless Her and all the Family. Love You All!!*
