“ Rudy was definitely one of a kind. He was the last one left from the gang that spent many fun times with George, Buck Riley, Bear Dowling, Skip Kidwell, and Larry Sprouse. Oh the stories I could tell about those guys! They're all together again now. May you Rest In Peace, Rudy. Ellen, he was a great guy. I'll never forget him. My thoughts and prayers are with you and your family. God Bless.

“ Not knowing Rudy personally I heard many stories from my dad (Buck Riley). My dad always spoke highly of a number of coworkers, Rudy included. I'm sure he was a great man and as someone said a WG institution. May his family be held in god's hands and they navigate this tough time.

“ A great boss, I worked for him for a few years and it was usually a fun and productive work environment. Worked with and along side of him another 25 years and he was friendly and a gentleman and always ready to have a good time.
