“ *Russell worked for me at Robertson's Crab House years ago and his son Branden was 12 years old at the time. Branden was always with his Dad. Something I saw all of the time was Russell love of Branden. When Branden turned 14 he started to work at the Restaurant. Russell, Branden and I had something in common, the love of the Fire Service. We would share stories of our life and the Fire Service. I have many great memories. RIP Brother!*
