“ So many wonderful memories of your Mother and Dad. The trips they took with my parents, the road trips, the cruise in 1989 we shared with them, and so many more good times. They created a legacy of love and family that will remain with the extended Fantasia's and O'Guinn's forever. I agree our hearts are broken by these losses, ,but it brings a smile to my face to think of them together again. Deepest sympathy to all.
