“ *Ruthie was my cousin but more like my sister. I loved her and felt terrible that she had to go through so much pain, so many doctors and tests before she passed. I will truly miss visiting with her on Tuesdays. My deepest sympathy for her family because I know how much they will miss her. Goldie Talbert*

“ *Little Ruthie and the rest of the family. When my mom (Goldie Talbert) told me about Big Ruthie and that God had finally eased her pain, she had been in for so long, I was relieved for her and of course saddened for you all. I know your dad was there to greet her along with my dad and the others that have gone before us! This is a temporary loss until the day we are all reunited with all of our other family members that we miss and grieve for because we're still here. Until we meet again Big Ruthie, I'm sure you'll be watching over your family. I know my mom misses you terribly and will miss the Tuesday visits. I pray God will ease all the heartaches, but remember you can talk to her she's still with us watching over everyone. God be with you all with love, Becky (Talbert) Mears*
