“ *My name is Julie. Frank ,Sal and I were long time friends we go back a lot of years. Frank informed me of Sal's death. I just wanted to say may God hold each and everyone of you in the palm of his hand to help you get through the coming days ahead and keep you near since he is no longer with you. But he will always be in your hearts. God Bless each and everyone of you.*

“ I have so many great photos & memories of Papa Sam but unfortunately a lot of my pics are in storage I will try to go there tomorrow & look for more but for now This is one of my favorites- it's Sam on the porch with my Dad in Ocean City and me & Jeanie are in the pic too I think my mom took it & mel & the boys were down at the beach ... We had a great time that trip we all went to Mancinis that night & had San peligrinos & pizza 🍕 then went to the boardwalk & rode the Trolley car & got funnel cakes:) it was a great time & Sam was full of jokes all weekend & him & Dad had a great time on the porch just people watching:) We grew up spending almost all of our Holidays & important life events together so Sam & Jeanie were like a Uncle & aunt to us / second set of parents Sam taught me how to roast chestnuts 🍂 and how to do a “Lazy garden “ which is what he called Giant terra-cotta pots on the back deck full of Tomatoes 🍅 and Peppers etc.... they always had the best gardens in the ground or on the deck :) There's so much more I want to say but my heart is too heavy to write any more tonight- I am completely heartbroken for you guys it doesn't matter how old we are you still feel like a little kid on the inside when it comes to loosing a parent and especially a Husband & Dad like Sam he will be missed so much - I love you all xoxo
