“ *I'll really miss Calvin's smile and his silly comments. Having known him since Diane & Bucky met, I have always considered him family. My girls adored PawPaw Bowling and are very sad for their Uncle Bucky. His 4 boys are awesome and I know how proud he was of you all. The love he felt for his family was obvious. Please know you are all in our prayers.*

“ *Uncle Calvin was one of a kind. I have many fond memories of working with him, Uncle Eddie, Uncle cracker's, uncle Peanut, and Uncle Butch in the Tobacco field. We always worked long and hard but he always made it kind of fun. He always appreciated peoples work and always had a funny story or a wise crack joke to help pass the time. I am blessed to have known him.*

“ Dear Bucky, Wally, Danny and Steven, Your father played such a special role in Greg and Michelle's childhood and I am forever grateful for our time with him. Greg and I were just talking about all the "fun hot summer days" helping you guys in the field. He took each child and treated them like his own and taught them well. Greg visited him several times at the center and he said Uncle Calvin's face lit up and his eyes sparkled as Greg talked about all the fun times on the tractor and in the field. However, I am not sure that he really liked his visit to my hometown in WV and getting up to deer venison for breakfast the next morning - because he could not sleep with everyone coming and going all night to get that deer ready for his breakfast. LOL. He just loved being in Charles County. He is with Jesus now and we all will see him one day again. He lives on in all of our hearts and in our lives. I am so sorry for the loss of your father. I love you and miss you boys very much. Love Aunt Judy

“ My thoughts and prayers are with his boys and their families. Uncle Calvin will be greatly missed. I will always remember him as the hard working farmer who taught me so much and worked me so hard. There was no slack for being a girl either :) Love you Uncle Calvin.

“ *Uncle Calvin was not only our uncle but also a father figure to us. We grew up working on the farm beside him for many years, learned a lot from his wisdom and received many hugs along the way. Uncle Calvin would come over for visits and take time to play catch with my boys even if he had to sit in a chair because he wasn't feeling well, he would keep throwing the ball and love every minute of it. Uncle Calvin was a wonderful person and will be missed by all of us. Our deepest sympathies to all of you during this time.*

“ I read of a man who stood to speak at the funeral of a friend  
He referred to the dates on the tombstone  
From beginning to the end

He noted that first came the date of his birth  
And spoke the following date with tears  
But he said what mattered most of all  
Was “The Dash” between those years

For that dash represents all the time that he spent alive on this earth  
And now only those who loved him know what that little dash is  
worth  
For it matters not how much we own; the cars, the house and the  
cash  
What matters most is how we live and love  
And how we spend our dash

~Unknown

Keeping you all in our thoughts and prayers. Our family was very  
blessed to have had Uncle Calvin in our lives. Thank you for sharing  
him with us.

Love,

Chris, DeAnna, Kody, McKenzie and Zachary Swann
