“ *My sympathy to Sam's family. Our families, the Canter's and the Young's were from the Aquasco Area. I got to know Sammy taking him Easter and Christmas Baskets from the Ladies Group of Immanuel Methodist Church. He loved to talk about his family, cars, motorcycles and many other things. I will miss our visits. Dorothy Young Borrás*

“ *This is from all of us at Charlotte Hall subway where Sam would come in a couple times a week and have us make him sandwiches and he always said he was gonna share them with his dog. He loved to just come in and talk sometimes about his cars, and other times about his wife, whom he said he missed so much. We haven't heard from him in several months and was wondering what had happened and why he wasn't coming into the store. He was just one of these people that you instantly took a liking too. We will miss him .*

“ I remember Sam from my childhood, when my family moved to Waldorf (I was 9 at the time--50+ yrs ago). My dad was a State Trooper, and he was friends with most folks, and especially car folks...I remember the beautiful blue Ford, and I know he and Shirley and my folks were good friends. and even as a child, I remember his beautiful white hair and kind ways.....Good, good folks. and good friends to my parents, Jack & Millie Davis.
