“ My name is Iyan Tookes, I used to be a friend of Sam's back in Elementary school. Even though we didn't talk to much outside of school, I remember being invited to his birthday party back then. He seemed so happy and full of love that day. I'm 21 now in college and still thinking about him and how I wish I got to know him more because I know that we would've been the closest of buddies. Prayers out to his family, some of the most welcoming people I met, I hope you guys are doing well.

*I'll never stop thinking about your son and the impact he's had on my life.*

*God Bless.*
