“ Over the years, Sandy made several trips to visit with her Aunt Noni in Collierville, TN. It was a bonus for the the rest of the family that we too were able to share her time with Noni. Sandy was loved and will be missed by all of us Taylor's . Bobo and Sandy were cousins from the same generation and had much fun reminiscing over childhood events. The rest of us enjoyed listening and laughing at their shared memories. Noni made several trips to visit with Sandy as well. We enjoyed hearing the updates of her time spent with Sandy and family. Sending deepest sympathy and much love. Jet, Cindi and Lisa Taylor (Sandy's Taylor cousins - Southaven,MS)

“ I met Sandy in 1981 when we worked together at the hospital on Andrews AFB. We quickly became the best of friends. We became roommates the following year when we rented a house together. So many wonderful times, and a few not so great, but we went thru them together and always supported each other in the way only true friends can do. No matter how long it had been since we talked, it was always like no time had passed at all. I will miss my friend. She takes a big part of my heart with her. Fly free Sandy and make a way for us to follow.

“ Shocked at the news of Sandy Passing. I know she loved her family, kids, grand kids and her two furry companions. It was nice to get time with her on our trips to Deep Creek for family reunions. I pray she is at peace now and you know she is as she is with her mom and sons. My thoughts and prayers are with Carrie and the rest of Sandy's family at this very sad and difficult time . R.I.P.
