“ *Sandy - meeting and marrying you brought the biggest joy in my life. I love you dearly and hope you are resting in peace. You fought hard to the very end with your battle against the illnesses in your body. You maintained grace and hope through the entire time. The love and joy you brought to all the family and friends that surrounded you will always be felt by us. You are the most sweetest, kind, intelligent person I have ever had the pleasure of knowing. I have learned so much from being married to you for the past 21 years. I will continue to live the life you taught me to better myself. I hope I can be the bright, guiding light to our family like you always have been. Your loving husband, Michael Alan Moroney*
