“ *Sandy was always upbeat and fun to be with when we were teens. It's very sad that see that she passed on. She was a bright light who will always be in our hearts.*

“ *Dear Sandy,
We share so many fond memories growing up together on Gabriel Drive. We will always remember the countless walks around the block, talking at the bus stop, chatting and playing games on the porch, playing badminton, singing 'Johnny Angel' and just hanging out. We all loved and had so much fun with our family of Chihuahua pups, Candy, Peanut and Walnut. You were a bright light, always welcoming us with your beautiful smile, warm laugh, strong shoulder to lean on and friendly advice. We will miss your text messages and Facebook updates. We share in your family's grief. God welcomed an angel into heaven with open arms.
With love, Kim Murray, Sharon Payne-Ashby, and families*

“ For 33 plus years this wonderful lady grabbed my brother by the horns and reined him in. I will miss our weekly calls, our family has lost an Icon, my grandchildren would flock to her and fight to see who would get that special seat on her lap. Can't say it enough what a special lady, your BROTHER in-law.

“ How do you say good-bye to someone you've loved for over 40 years? I will simply say, "Don't forget to keep St Peter busy so I can sneak in under the fence up there!" just like we promised each other a few short weeks ago. And I will still abide by "don't let anybody steal your joy" like you've reminded me for years.
