“ Scott always had a smile for everyone. He had a “Yes I can fix it, no problem” attitude. Whenever I needed something for my bus or anything you could depend on Scott to come up with some type of solution and he would try to solve your problem quickly. Scott seemed to always make time to listen, no matter how busy he was. He loved talking about his family and always had a recent photo of his daughter to show you. I am soooooo sad to learn of his passing.

“ I will miss his phone calls to talk to Danny. I always got to talk to him for a few minutes before handing the phone to Danny, We were always talking about his faith, his daughter and whatever what is the news. I know he loved his girls very much. I know that he is somewhere in heaven talking about his Mach Mustang or telling some story about his younger days. He will be missed. Gone too soon, but never forgotten. Until we meet again. - Anna Skinner
