“ I met Scott through my daughter Cynnamon when she started going to the CCADS in LaPlata. When that bus pulled up in the morning to pick her up, the smile on her face lit up like a Christmas tree. Scott had a heart of gold, always had that contagious smile on his face. I am also a Redskin fan so win or lose we always had a lot to talk about as he was putting Cynnamon on the bus.
To the family, I pray your strength, may Gods grace and mercy comfort you at this difficult time. There is no doubt that he will be missed.

“ I met Scott do to our jobs and became very good friends. He came by after work sometimes just to chat. We talked about everything from football to family, and always had a joke to try to brighten up your day. He always told me I was the brother he never had. I know how much he loved his Family. Zee and Ali was his life. I went to his work one day and he took me on a walk around the nursing home and there was not one person that he did not know there name and they knew his. He was a great father great man and a great friend. I will miss him stopping by. R.I.P BROTHER, you will be misses by many. Steve

“ Scott was always so happy and cheerful. He dearly loved his family. He would tease about Zee but always was looking for a gift to surprise her. He and Ali always had a plan for her gifts. He will be dearly missed by all who knew him. My prayers and thoughts are with his family. The world has lost a good man but the Dear Lord has special plans and he is an Angel in Heaven.
