“ I have known Sharon for over 20 years now and unfortunately as our lives changed and we started families we didnt see each other very often. I am deeply saddened by her passing and wish that I could have had a chance to say goodbye. Life is a short precious gift that we can not take advantage of as tomorrow is not promised to us. I will smile at the memories of Sharon and all the good to times we had. Sharon was a great friend and will be truly missed. I will continue to pray for her family as I have prayed for her each and every day since I became aware of her illness.

“ *It funny you don't realize how many relatives you have. I met Sharon and her family about 4 years ago when they were visiting and found out we were 3rd cousins. In the short time I knew Sharon I found out she was a vibrant, sweet and loving woman. She was strong and loved her family above all. Sharon will be missed by everyone who knew her. My prayers are with the family. God has another angel he has called home. RIP Sharon.*
