“ *I will never for get how I met you Sherry. You were looking for your friend Linda and she was going with Bobby. You came to my apartment in Penn Mar me, Dicky and you just hit it off like we 3 old friends. We all talked on the phone almost every day and you and Steve used to come on Saturday night we played cards, Jade and Pebbles played together. You and Dicky hit it off good and got along till the day he died. You were my best friend and my heart is broken at the loss of you. God Bless You Sherry And RIP. “ Steve and family - may loving memories bring you peace, comfort, and courage to face the days ahead. Some of my fondest memories of Sherry, my niece, are when we were young children and she would come for lengthy stays with Grandma, Grandpa and a houseful of aunts and uncles during summer months. In those days, in rural Alabama farms, entertainment was left solely to the imagination of children and what wonderful memories we created!

God Bless.

Love, Aunt Alice
