

Sherryl Lee Veach

March 29, 1957 - February 6, 2015

Sherryl Lee Veach, age 57 of Waldorf, MD, died on February 6, 2015 at the University of MD Charles Regional Medical Center in La Plata, MD.

Sherryl was an incredible wife, world's greatest mother, and a worker that should have been cloned! She worked for BAE Systems for 18 plus years as a Program Manager where she earned many awards including Manager of the Year in 2014. She was our daughter's Girl Scout Troop Leader for over 10 years where she positively influenced all the Girl Scouts' lives. Sherryl was an "Honorable Mention" All-American Swimmer in college where she won many awards. Growing up she loved riding horses. She always loved being at her step-mother Gayle's farm for the love of all the different animals. Later in life, she became great at arts and crafts, a hand-me-down trait from her mom, Barbara.

She is the daughter of Robert Richter and Barbara Gale. She is also survived by her husband, Sean Barnett Veach; her daughter, Erika Veach; and her siblings, Robert and Ronald Richter and Gale R. Harrison.

“ *Sherryl was my supervisor a few years ago. Then she left the company, and I left shortly afterwards. I was very sad to hear how it turned out for her. I would like to leave this memory of her, that she was very warm and generous, and one of the most selfless people I have ever known. She was very proud of her family, and very understanding with everyone she worked with. It made a big difference in my career and life to have known her.*

*....was absolutely heartbroken / tearful when I rec'd the news from Rick...
I have fond memories from when Erika and Rick were in Kindergarten and participated in Odyssey of the Mind... As teenagers, they briefly dated -- and kept in touch thru the years....
Was always amazed / grateful how wonderfully sweet every encounter was.... One can only hope to emulate Sherryl's level of consistent 'wonderfulness' as a person, mother, wife, friend.... For those of us who remain -- we can only hope to make her proud.....
Wishing both Sean and Erika -- consolation, comfort, prayers, wishes for peace, strength. resolve, and wonderful memories.....*

*Sherryl was a great woman and a magnificent PM, of all the supervisor's I have had throughtout my life Sherryl is one of the few who's positive influence will remain with me always.
Also I love that Sherryl always had a smile and never said an unkind work about anyone. She is one of the greatest people I know and she will be dearly missed.*

My thoughts go back to the moment when Sherryl said YES to being a Girl Scout troop leader. How brave!.. not a moment's thought of how hard that the task might be; only motivated by the desire to give Erika the best she had to give, and in the process show kindness, patience, and love to every little girl who had the good fortune to know her. May her spirit of goodness live on in all those she touched. She was a good egg!
