“ I have known Stephanie for almost 40 years and she is one of the most devoted persons to her faith, family, and friends I've ever met. whenever I visited her, Stephanie would always lovingly talk about her family. Her heart was full of love for her family and humanity. May she now rest in eternal peace. Your strong faith, your kindness and your compassionate heart will always be remembered. Until we meet again my friend.

“ *I have so many memories of Stephanie, too many to mention. The memory that will stay with me is her inner glow. That glow drew me to her as early as Kindergarten. I held that inviting smile and ease of friendship for 68 years. She's our forever angel now, walking beside us. I don't think a day will go by without a thought of her and all she's meant to many.*
