“ *Gloria, Charlie and I were so sorry to hear about Steve's passing. We worked for him in the early 80's until he retired. He was a wonderful person to work for and we have many fond memories. We both remember how thrilled that you attended our wedding back in 1982. He still remains my favorite boss ever! Many blessings to you and your family.*

Condolences to the family of a wonderful man. I worked with Steve in the 70s and 80s and carpooled awhile. He was such a nice guy. Diane Bartlow

“Maureen, Kevin, Gloria, We are so sorry for your loss. We enjoyed when you guys would visit Frostburg when Ellie was little. Jack still remembers walking Bandit with Steve and I think of him often when I'm opening windows around the house - still remember him putting in the windows when Matt and Maureen bought the house. We will remember him with a smile, and a beer, for good measure!

Maureen, your Frostburg family loves you - and we are here for you.

Wishing you all peace and comfort.

Love, Lisa, Joe, & Jack

So sorry for your loss. I worked with Steve at EPA from 1984 until he retired. I liked and respected Steve immensely. He taught us all to work hard but not to take it too seriously ...especially through his occasionally leaving work early on Friday afternoons announcing "I'm heading over to Personnel".

I am very sorry to hear of Steve's passing. He and I worked together at the EPA from the time it was formed until he retired. I enjoyed his wit and sense of humor. He was a great person to work with. He certainly made my job easier. I know he will be missed by his family and friends.

“ Mrs. Leahy, Maureen, Kevin we are so sorry for your loss. Mr. Leahy was definitely one of the good ones in life. He will be missed. Never forget the first time I met your dad when we came home from the burg for a weekend. Scared the hell out of me at first but 30 minutes later we were drinking a beer laughing our behinds off. Weird how certain events in life you never forget for some reason and that is one for me. I remember it like yesterday. I was so intimidated by his gruff personality only to realize in short time that he was actually the complete opposite of that. Great Man. You are all in our prayers.

Thanks Rick! He could be intimidating at first but he actually enjoyed that ... lol. He's at peace now but he had a great time while he was here!
