“ *Daddy it's almost been five years and half of my heart still is missing. You were my hero and my best friend and you never once gave up on me. You are the true definition of unconditional love. You were the best dad ever and I see your signs and cannot wait to be reunited one day some how. I love you always and forever. I'm forever grateful I got to spend your last hours next to you, holding your loving hand and saying not goodbye, but see you soon. Always your daughter, Sara*

“ *Steve was such a lively and caring man! He and Sharon adopted a Greyhound from my group and changed my life as well as the sweet girl he adopted! I miss the fun emails and jokes he sent. Steve is missed but added so much joy to the world. He will never be forgotten. Love to dear Sharon! Hugs, Deb Johnson formerly of Greyt Expectations*

“ *I am so sorry for your loss. Steve was a wonderful man, husband, father, grand father and friend to so many that he will most definately be with us for ever. I never met him in person, I live in Arizona. I met Steve when he came to my website on Ebay and purchased a monopoly game from me about 15 years ago. We would send emails to each other and I came to feel as though he was my extended family. He loved his daughter and sent me her website link and always sent me jokes about the weather along with beautiful pictures. . . . I will miss him, but some day . . . I'll meet him in person! God Bless you all and lift you up from your pain knowing he knew he was loved*

“ *It is so hard to believe that this is real. My deepest gratitude to Sharon for messaging me at the start of Steve's illness. I hope that the support of an old friend was of some comfort. Sharon, he loved you so. To the girls-every time we spoke your Dad extolled your successes and your courage. Steve was the embodiment of "best friend", which is the highest compliment that can be paid. May you find some peace in the knowledge that here was an extraordinarily loving person and a rarity on this earth.*
