“ I've known the Wades my ENTIRE life. I looked up to Steve as a father figure. Steve is one of the most friendly, hard-working, kind-hearted, Christian men I know. My heart breaks knowing that he isn't with us any longer, but I find comfort knowing that he is in heaven right now and I will see him again.

“ Steve has been nothing but an inspiration to me. I am so blessed and grateful to God for allowing my life to take the roads that it has to bring this man into my life. Not only was he my friend and father-in-law, but he was also like my own dad. The pain of losing him is unbelievable. Thank you God for such a wonderful, kind, and loving man.
