“ Steve was my union brother, 20 years ago I was only one of a few female welders... He was always so respectful, kind and made sure I felt safe.... I will always have a special place for him in my heart for looking after me while on any job. He's opened up his home to me when I had to work in Southern Maryland. He was a true union brother and I was so grateful for him.

“ It was labor day weekend, 2022. I was invited to spend the weekend at Goose Bay Marina. Immediately, I was overwhelmed by the beauty of the property. A scene which Steve and his family undoubtedly worked very hard to create. And yet what impacted me most was not what I saw but, what I felt! One thing rang true as I enjoyed that warm summer night filled with great music, food, and friends...The American Spirit is alive and well in Welcome, Maryland. Thank you Steve for a special weekend and for a powerful reminder that Freedom is worth fighting for! Because it's the simple things in life that bring us the most happiness.
