“ From the time he was a little baby until a grown adult I always felt (and still do) a special connection with Steven, who I am honored to call my Godson. Denise and Ray are so loyal to family and friends and that carried over to Steven and Tommy. I have so many special memories, I don't know where to begin so I'll share one of my favorites. One day back in the mid-90s when he was little, I remember Denise coming out of Target with the boys as I was going in. Steven came running to me so fast, smiling & yelling "Aunt Annie" and ran into my arms. It melt my heart and when I think of Steven, that is a joyful memory. To this day, I think of that special moment every time I approach the entrance of the Waldorf Target. I will never forget. He was such a lovable and caring person and I miss him dearly.
