“ My heart goes out to Natalie and their offspring as well we the wonderful grandkids. Stosh had a heart of gold and was always a gentleman. I feel so fortunate to have had the chance to spend time with him and Natalie at the Moose. A Good Man for sure -- no doubt he will be organizing and spreading cheer in Heaven. Will be sorely missed here on earth.

“ *Natalie you & your family have my deepest condolences. I worked for Stosh at Peake. He was my supervisor and he cracked me up most of the time, if he was having a bad day, we knew to stay away until he settled down. (Ha) We had many of fun times at work thanks to him. I remember his famous meatballs from one of our pot luck lunches. He was a good man.*
RIP Stosh

“ *Stosh, was one of a kind! I loved to hear his stories about his family. He had such love for his wife, children and grandchildren. Many moons ago when we were teenagers he took me to my first drive in movie... Those we love don't go away they walk beside us every day. Unseen, unheard but always near. Still loved, still missed and forever dear.*

Rest easy my friend

“ Through his work at Mosaic, Stosh became a fixture at the NRLCA National Conventions every year as an integral member of our Press Room team. He worked tirelessly and was always willing to stop and lend a hand. He may have been grumbling quietly, but always had a smile on his face. He was fun to have a drink with and play liar's poker. The NRLCA will definitely miss Stosh!

Melissa - February 06, 2023 at 10:40 PM

“ *I remember going white water rafting with Stosh and Natalie. I believe it was their 1st time. Our rafting guide was hung over and vomiting. That left it to Stosh to save Jessica when she fell out the raft, getting us unstuck, etc. Fun times. Really going to miss Stosh!*

Tiffany Murphy - February 06, 2023 at 07:09 PM

Natalie Sitkowski

So true. Jessica fell out the raft and within one second Stosh had her back in the raft and it was a class 3-4 Whitewater Rafting Trip in Harpers Ferry WV. Our daughter lives there if you haven't been there you need to go.
