“ *I met Susan at EMS 3 as well and worked with her in an administrative capacity. Susan had a heart of gold, a fiery temper (which she seldom showed) but an abundance of love for everyone she met. Her sometimes blond moments were often spoken of fondly. I am sorry for your loss she was a friend to all. May God bless you and your families.*

“ *I knew Susan from the time she spent at EMS3 as a member of Waldorf VFD, from her early days when she was an EMT to the latter days when she provided admin support. We affectionately called her "Wacky Mackey". She was a very nice lady and I am so sorry for your loss.*

“ I pray she at peace, and I believe she is. I loved talking with her and joking around; nothing "old-lady" about her at all!

“ All of us who knew and loved Susan will miss her. I know Ray and I will. I've probably had over a thousand conversations with her in the past 5 years. She had a remarkable spirit in spite of sometimes overwhelming odds. One thing for sure, we cried some, but we laughed a whole lot more. I will never forget her and I hope she is at peace in the arms of her Lord Jesus. Our condolences to the family.
