June 29, 1955 - July 12, 2009

Ted John Hines, 54, of Capitol Heights, MD, died July 12, 2009, at Southern Maryland Hospital Center, Clinton, MD.

Mr. Hines was an accomplished mechanic. He loved figuring things out and then fixing them. His accomplishments included working on airplanes, automobiles but his passion was fixing and working on boats. He was devoted to the Lord. He held credentials as a Minister. In 2002 he joined a Motorcycle Group known as CMA the Chapter known as the Cycle Disciples. Not feeling fulfilled there he switched to the Chapter known as the Southern Messengers where he stayed for six years. Feeling that he couldn't be who he believed God wanted him to be he changed once again to another Ministry known as Jesus Loves Bikers Motorcycle Ministry where he jumped in to help start taking the position as the web minister. He stated that he finally found a home where he could be himself. His wife Jackie said "He was the happiest she had ever seen him. He didn't have to prove himself." T.J. designed all the literature for the ministry and did a good job. In spite of his illness he wouldn't stop trying to help and to reach out to other people.
