Teddy "Love" Lamouroux

March 21, 1976 - November 18, 2021

Cobb Island, Maryland

Teddy "Love" Lamouroux was a free spirit with a kind soul. He suddenly passed away at the age of 45 in his home. He leaves behind one son, Joseph Lamouroux, who he loved immensely. Teddy had many eccentric interests and a love for the uncustomary. He enjoyed playing Dungeons and Dragons, creating memories, and telling stories with groups of friends. He loved music, especially the band Phish where each show was a unique experience. Concerts and festivals brought him so much joy. He enjoyed collecting rare sets of dice and reading books based on the realm of fantasy. Teddy would often greet you and say goodbye with a peace sign. He was an authentic, intriguing, and peaceful man with comforting energy that was often felt in the room. He was full of good vibes and love. Teddy most certainly would want those feelings to continue to spread in his honor and memory even after his earthly body has left this space. Teddy will be deeply missed by many.

Teddy graduated from Thomas Edison High School in Alexandria, Virginia with the class of 1994. Teddy was a beloved member of the staff at Scuttlebutts Restaurant and Marina. Everyone raved about what a fantastic cook Teddy was. He managed to put out so much delicious food, for a restaurant full of

people, with ease and grace.

Teddy is survived by his son, Joseph Lamouroux; his mother and father, Evelyn and Leon Morris Lamouroux; his grandmother, Anna Keller; his brothers, Timmie, Tykie, Terry, and Tommy Lamouroux, and Darrell Porter. He is also survived by many friends past and present locals of Cobb Island.

There will be a Celebration of Life for Teddy at Scuttlebutt Restaurant & Marina, 12320 Neale Sound Drive, Cobb Island, Maryland 20624 on November 27, 2021 from 2-5 pm. Donations in Teddy's memory can be made directly to his son, Joseph Lamouroux.
